Mark Thornley, Veda Dante, Peter Wilson : Surfing Australia (Periplus Action Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Surfing Australia (Periplus Action Guides):

4 of 4 people found the following review helpful. excellent, accurate and up to date!By A CustomerBeing an Aussie and wanting to get out there amonst it all, this book says it all. Being one of five kids that all surf in different areas and using different modes of transport on the water this book has it all for all of us and this book is what they will all get for chrissy this year!!1 of 1 people found the following review helpful. Not a bad way to go!By A CustomerI spent 4 months driving from west Oz to northern New South Wales, and the coastline was pretty well covered. But not so much that you can't find your own spots not listed. A great guide for the first time visitor.0 of 0 people found the following review helpful. An excellent resource.By A CustomerGood pictures, solid review of breaks. An excellent complement to the Surf Report.
