Guide to Hawaii's Surf Spots
By PointSpecial
There might be better guide books out there but this book does a decent job pointing out the various spots around the different Hawaiian islands. My recent trip was to Oahu and lion's share of this book is devoted to that island. Maui also gets a lot of coverage. This is probably typical of most of the guide books covering Hawaii. My one major complaint is the lack of in-depth reviews and details of many of the listed surf spots. Only a few breaks get covered in any type of depth. Nonetheless this book served as a good starting place and reference during my trip. My opinion on surf guide books in general is they are jumping off points. My advice with this book is to use it as a reference but definitely talk to the locals, be respectful, and you'll probably score some epic waves. I know I did.
4 of 4 people found the following review helpful. It Does the Job, but Could Use More
By Cyrus Saatsaz
I used the Surfing California book in this series in the past, and thought that was a better book not only because it provided more in-depth reviews and details of specific surf locations, but also because it skipped the body-boarding locations, which I had no use for. Surfing Hawaii will be useful for the person who doesn't know Hawaii well, but I wish it would give detailed information on ALL the locations, not just the ones it deems more popular. Granted it lists pretty much all the locations, but for a lot of them it only gives a one-paragraph description, while for other locations there can be pages of info. All-in-all, the book could use more, but it does the job and is probably the best of all the surf travel books.

A complete guide for the most well-known to the not-so-well-known surf spots in the Hawaiian Islands, from Tavaras Bay on Maui to Waimea Bay on Oahu to lesser-known Manele Bay on the island of Lanai.

From the Back Cover
For more than twenty-five years, FalconGuide has set the standard for outdoor recreation guidebooks. Written by top outdoors experts and enthusiasts, each guide invites you to experience the endless adventure and rugged beauty of the great outdoors.
Surfing Hawaii is your comprehensive guide to the Hawaiian Islands' best breaks—from classic surf spots to lesser-known waves. Let international surfing legend Rod Sumpter show you where to ride the waves from Honolua Bay on Maui and Banzai Pipeline on Oahu to Magic Sands on the Big Island and Nawiliwili Lihue on Kauai.
