Boye Lafayette De Mente : Survival Korean: How to Communicate without Fuss or Fear Instantly! (Korean Phrasebook Dictionary) (Survival Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Survival Korean: How to Communicate without Fuss or Fear Instantly! (Korean Phrasebook

Dictionary) (Survival Series):

0 of 0 people found the following review helpful. Nice quick reference!By Daniel WarrenThis book was really helpful on a recent trip to Korea. I would really recommend it as a quick reference for the language to anyone travelling there or wanting to learn Korean.0 of 1 people found the following review helpful. Great BookBy ElizabethThis is a very good book to have on you if you are going to be visiting Korea or just want to learn a few phrases.1 of 1 people found the following review helpful. This book has some useful phrases, but has some glaring omissions that are ...By Ryan KarolakThis book has some useful phrases, but has some glaring omissions that are surprising.For example, the book provides both the hangeul and romanized versions of the phrases in the book. It also has a small section on the Korean alphabet, but while it provides the romanized equivalents it doesn't have the actual hangeul characters (what all written Korean is written in). For example, it states that "s" is a letter used in Korean, but it doesn't say that the hangeul character for "s" is "ㅅ".It could also be a bit better at explaining when the phrases are best used. With honorifics in Korean it'd be helpful to be more clear on if a statement is formal or casually written. Some phrases are also probably not the most commonly used in everyday colloquialism.Even with its flaws it's still a useful reference for quickly getting a starting point on which phrases to be used as a tourist or if you need something in a pinch. There are probably better references however.

A handy Korean phrasebook and guide to the Korean language, Survival Korean contains basic vocabulary necessary for getting around Korea.This book contains all the necessary words and phrases for speaking Korean in any kind of setting. Perfect for students, tourists, or business people learning Korean or travelling to Korea, it also contains a beginner guide to the Korean language, allowing for a deeper understanding of Korean than a typical Korean phrasebook or Korean dictionary. The book is broken into four basic sections: Common Korean Expressions and Key Words, Essential Korean Communication Tools, Korean Travel Vocabulary and Useful Korean Expressions, and Korean Pronunciation Guides for Key Korean Names and Signs. All Korean words and phrases are written in Romanized form as well phonetically, making pronouncing Korean a breeze. For example, the word for "Hello", Yoboseyo is also written as Yoe-boh-say-yoh. Authentic Korean script (Hangul) is also included so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. Key features of Survival Korean include: Hundreds of useful Korean words and expressions. Up-to-date internet, mobile, and social media terms An EnglishKorean index with more than 1,000 additional words and their pronunciation for quick reference. Romanized forms, phonetic spellings, and Korean script (Hangul) for all words and phrases. A concise background and history of the Korean language. An introduction to the Korean Alphabet. A pronunciation guide for Korean syllables. A guide to Korean grammar.

"The travel vocabulary was especially helpful. Some of the smaller towns we explored did not have a lot of English speakers and so we had to rely on my Korean skills to navigate the buses, trains, and taxis. And these books are small so they fit easily into a purse or backpack without weighing you down." These Temporary Tents blogAbout the AuthorBoye Lafayette De Mente has been involved with Japan, China, and Korea since the late 1940s as a member of a U.S. intelligence agency, student, trade journalist, editor, and author working out of Tokyo, Seoul, Hong Kong, and Singapore. He is a graduate of Jochi University in Tokyo and The American Institute for Foreign Trade (now Thunderbird: The School of Global Management). His 70-plus books include Instant Korean, Instant Chinese, Survival Chinese, Survival Japanese, Asian Face Reading, Kata and Korean Business Etiquette.
