Jason McGathey : Survive The Strip: A Low Budget Guide to Simple Adult Fun in Las Vegas before purchasing it in order to gage whether or not it would be worth my time, and all praised Survive The Strip: A Low Budget Guide to Simple Adult Fun in Las Vegas:

Whether a fledgling first timer or degenerate pro, this well researched primer is bound to prove an indispensable companion for any Las Vegas experience. Covering every worthy aspect of the strip, downtown, between and beyond, this ace reporter dispenses a casino vault's worth of advice on both the positives and the negatives - and most importantly, how to do this all on the cheap.

About the Author Though given to meandering much of the east coast, more recently the author has forced himself to remain in one location and work on his next magnum opus.
