John Swarbrooke : Sustainable Tourism Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Sustainable Tourism Management:

0 of 0 people found the following review helpful. A must have for every tourism collectionBy MerbadiesThis book really lays the foundation for sustainable tourism. Swarbrooke is a fantastic writer and even though the book is from 1999 it is still equally applicable today. I have used it as a reference again and again. I just wish that he came out with a second edition! I would recommend this book to anyone interested in the field of sustainable tourism.0 of 0 people found the following review helpful. Five StarsBy BrianBArrived promptly and was just as described.0 of 0 people found the following review helpful. Five StarsBy Edison L. Pascasciovery good book!!!

Sustainable tourism is attracting enormous attention today throughout the world. This book provides an up-to-date, comprehensive coverage of the practice and management of the subject. It offers a range of definitions of sustainable tourism from different sectors of tourism and different parts of the world. Key issues and current debates are also discussed and a range of examples of sustainable tourism management practice are given. The book is designed to be interactive, with group and individual exercises and discussion points to further understanding of the subject
