Since I am an international student who come from a non-English speaking country, so I find that it is not easy to understand some terms that are used in this book. It's

challenging but I hope I will do well in the class. Thank you, !0 of 0 people found the following review helpful.
ECOTOURISM everywhere!!By JulianaLots of good examples about ecotourism and how to develop it! The only thing I didn't like is that it doesn't have colored images and it makes it boring some time!

Endorsed by The International Ecotourism Society, Sustainable Tourism The Millennium Development Goals: Effecting Positive Change demonstrates how ecotourism and sustainable tourism can assist in supporting and meeting the goals set forward by the Millennium Development Goals (MDG) and how it can foster a global partnership for development. The text discusses how ecotourism and sustainable tourism can assist in supporting and meeting the MDG by drawing on case studies and examples. The final summary chapter discusses how ecotourism and sustainable tourism can assist in supporting and meeting the MDG by 2015 and identifies the challenges and goals that need to be considered in the future. In this edition you will find: Historical perspective of the development of ecotourism and sustainable tourism The Millennium Development Goals defined Overview of how ecotourism and sustainable tourism can assist in meeting the goals of the MDG Engaging case studies and examples to reinforce the concept
