National Geographic Maps - Adventure : Switzerland (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Switzerland (National Geographic Adventure Map):

8 of 8 people found the following review helpful. Good, but could be much better with a few simple tweaks. By KingSalmon05 This is a nice map that has a lot of information on it. Being a hiker, I love the contour lines. However, I do wish there were hiking trails on it. Switzerland has the best rail transport in the world, and I do feel this map does not portray the railways well enough. 0 of 0 people found the following review helpful. Excellent / Durable map! By Graflex5 This is a nice map, very well made. I've owned several of these for cities we've visited and I'm always pleased. 0 of 0 people found the following review helpful. Good Map By Travel Girl Have always liked National Geographic maps and this one was used well by us during our 6 days in Switzerland.

Waterproof Tear-Resistant Travel Map National Geographic Switzerland Adventure Map provides global travelers with the perfect combination of detail and perspective in a highly functional travel tool. Cities and towns are clearly indicated and easy to find in the user-friendly index. A road network complete with distances and designations for roads, motorways, expressways, and secondary routes will help you find the route that's right for you. Specialty content to include hundreds of diverse and unique recreational, ecological, cultural, and historical destinations, make this map invaluable to travelers hoping to experience all the attractions the country has to offer. Botanical gardens, campsites, archeological sites, castles, caves, scenic viewpoints, and golf courses are among the many points of interest noted. The eastern half of the country from the city of Luzern east is shown on the front side of the print map, from the border with Germany to the north, Austria to the east, and Italy to the south. The reverse side covers Luzern to the western border with France. The locations of airports, airfields, railroads, border crossings, and car ferries take the guesswork out of travel around the country. Selected filling stations, hotels, restaurants, and snackbars are also marked for travelers seeking additional resources. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:300,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
