Professor Josiah Conder : Syria and Asia Minor, Vol. 1 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Syria and Asia Minor, Vol. 1 (Classic Reprint):

Excerpt from Syria and Asia Minor, Vol. 1 11' was intended (as announced) to complete the description of Syria in the present Part. But, owing to the peculiar interest attaching to that country, and the copiousness of the materials, the Editor has found it impracticable to adhere to this arrangement, so as to do justice to the subject. It has, therefore, been

thought advisable to annex to the description of Syria, that of the adjoining province of Asia Minor, which forms another interesting portion of the Turkish empire. Parts V. And VI. Will, in consequence, include the remainder of Syria with Asia Minor, - instead of Arabia, as was. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
