Gregory M Wortabet : Syria, and the Syrians, Vol. 1: Or Turkey in the Dependencies (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Syria, and the Syrians, Vol. 1: Or Turkey in the Dependencies (Classic Reprint):

Excerpt from Syria, and the Syrians, Vol. 1: Or Turkey in the Dependencies IT is the custom now-a-days, to make an

apology for intruding a new work on the public, especially when the subject thereof has been so often written upon. The history of Syria (including Palestine), has been the theme of many an author; and there is, perhaps, no country in the world upon which more books have been written. This is excusable: the subject is one of ever fresh import; the scenes where the Christian faith had its origin and completion can never become dry to a Bible reader; the land which is replete with testimonies, in fulfilled prophecy, to the truthfulness of the word of God, as uttered by His prophets long ago, can never cease to be a subject of regard. To write on a land where Jesus trod, walked, and on whose waters He sailed - which was invested with undying interest by having witnessed His presence, and been hallowed by His prayers - where He went about doing good, and at last died for fallen man, is most natural, and one the most likely to be read by a Christian public. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
