**Benjamin Plummer Pratten : Syriac Documents Attributed to the First Three Centuries** before purchasing it in order to gage whether or not it would be worth my time, and all praised Syriac Documents Attributed to the First Three Centuries:

Syriac documents attributed to the first three centuries is an unchanged, high-quality reprint of the original edition of 1871. Hansebooks is editor of the literature on different topic areas such as research and science, travel and

expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.
