By TimFine bible, beautiful pages, cover, and overall great aesthetic appearance. It was shipped on time, and was packaged well with no issues. However, I would encourage any friend to buy directly from the publisher (Lebanon Bible Society) which sells the exact same modern print bible for a fraction of the cost. Overall, I am extremely pleased with this bible, though wish I knew this was in print at a much cheaper price prior to spending the amount I did. 0 of 1 people found the following review helpful.
