2 of 2 people found the following review helpful. Out of Date By Chef Dartagnan This map is out of date for spelling for almost 40% of cities. Difficult to interpolate current spellings from tours books (Lonely Planet) to this map. Also some road markings and codes are out of date and do not match physical signs. Used Jan- Feb 2017 in Taiwan. 0 of 0 people found the following review helpful. Five Stars By Witold Mysliwiec Great!
