Helen Truskowski : Take the Kids Paris Disneyland Resort Paris, 4th (Take the Kids - Cadogan) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Take the Kids Paris Disneyland Resort Paris, 4th (Take the Kids - Cadogan):

0 of 0 people found the following review helpful. Worth Taking to Paris By Paul SasI brought this to Paris last week, and found some very helpful tips (e.g., Paris' best tea house is at the Mosque, below the Jardins des Plantes). Cadogan's best-selling family guide will open reader's eyes to the best of 'mini' Paris, from the obvious thrills of a trip up the Eiffel Tower to the unexpectedly delightful browsing for old toys in the March Aux Puces de St Ouen. Quizzes, challenges and stories bring the city to life for young visitors and itinerary ideas will keep even the most demanding kids amused. Why not spend a day on the trail of the French Revolution, explore underground Paris or meet the animals at the city's best zoos? A whole section is devoted to the wonders of Disneyland Resort Paris, featuring tips on everything from queuing for rides to the best place to watch favorite Disney characters in the parades. Packed with detailed advice and information, including personally researched child-friendly hotels and restaurants and details of how to get around, this guide will help every family's trip go as smoothly as possible and make wails of 'I'm bored' a distant memory.
