de Dios Editores, Julian de Dios : **Tango Buenos Aires Map Guide (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tango Buenos Aires Map Guide (Spanish

Edition):

A must for tango aficionados, this laminated tango-themed map/guide of Buenos Aires (in English) includes the 101 most important tango-related places and activities in the city, as well as a history of tango and its most famous practitioners. It also includes an essential discography of tango (from the earliest recordings to Astor Piazzolla and beyond), an hour-by-hour schedule for 'three tango-filled days', an illustrated index of cafes, cantinas, and milongas (tango dance halls and events), and a list of the top 10 essential tango experiences. The map comes in a convenient, easy-to-fold size and would be ideal for planning a trip or carrying in the streets of Buenos Aires.

"Enables you to discover the place as it is lived by its inhabitants." -- Clarin Newspaper, Argentina  
"The most important thing we took with us, and it never failed to perform and always exceeded expectations." --Buenos Aires Herald
