From Taschen : TASCHEN's Paris: 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised TASCHEN's Paris: 2nd Edition:

2 of 2 people found the following review helpful. I was very pleased with this book By bbbI was very pleased with this book. The book is a beautiful one. I loved how it was laid out, each section easy to read. It is just what it says it is, lots to look at. I myself will never go to Paris, but this will have prepared me to look for those special places. I loved it.

Ville magique: Keep it chic in Paris with TASCHEN's city guide
