Tel Aviv - Yaffo City Pocket + The Big Five, Stadtplan 1 : 9,400 (English, French and German Edition):

0 of 0 people found the following review helpful. Don't buy it!By Arcady GenevskyThis is one of the worst city maps I've ever seen. All the essential information (railway and bus stations, for instance) is blissfully omitted. So are some parts of the city, heaven knows why. The tourist interest notes in the back are purely decorative and silly. Bad.2 of 3 people found the following review helpful. This is an excellent high quality map with clear easily legible street labels ...By spin on booksThis is an excellent high quality map with clear easily legible street labels in English. It unfolds to a good size (the listed product dimensions are for the folded map). If you primarily want a map of central Tel Aviv this is more than adequate. It also has sidebars with an overview map and a map of Jaffa. My only minor criticism is that I wish it was extended to cover a little more of the outer lying areas of the city in high detail, and also a minor quibble that it would be nice to explicitly indicate the new central bus station on the map. Having said that it definitely hits all the highlights that tourists are likely to visit, and it does show the rail stations.1 of 2 people found the following review helpful. Perfect street map of Tel AvivBy Sanford E. SchimelI just moved to Tel Aviv from New York so before I left, I wanted to map out all of my services. This map is perfect. It's very sturdy and offers a complete map of the city.

This city pocket guide provides subway maps, city maps, public transport info, and attractions. It also features a comprehensive street index. "City Pocket" series maps are always 9 x 15 cm, waterproof, and suitable for any outdoor adventure! Tourist information: shopping, culinary, culture, nightlife, attractions, map, and street index.
