Benjamin S. Dingman : Ten Years in South America, Notes of Travel in Peru, Bolivia, Chile, Argentine Republic, and an Brazil, Comprising History, Commercial Statistics, Climate, Products, C, Vol. 1 (Classic Reprint)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ten Years in South America, Notes of Travel in Peru, Bolivia, Chile, Argentine Republic, and an Brazil, Comprising History, Commercial Statistics, Climate, Products, C, Vol. 1 (Classic Reprint):

In offering to you the First Part of his work on South America, entitled "Peru," the author does not pretend that it contains a complete history of that country, neither in a Political, Commercial, nor Geological point of view, but simply a small portion of each, together with some of its national traditions, and a journal of events which transpired during a period of several years' residence in different parts of the Republic. His object has been to portray life in Peru as experienced by himself, and at the same time to call the attention of capitalists and others to its valuable Market, productive soil and genial climate. Should the information given of that distant and important commercial country be of service to the public, the grand object of the work and earnest desire of the author will have been accomplished. B. S. D. Montreal, April 8th, 1876. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
