0 of 0 people found the following review helpful. good bookBy MonikaThe book has all that you need to know to climb classics in Grand Teton. I also got the Teton Range book, but that is a heavy large book, compare to this one is

small and can be taken to the summits easily.0 of 0 people found the following review helpful. Five StarsBy CustomerAwesome just what I needed0 of 0 people found the following review helpful. Love this BookBy GeoffGreat informative in-depth any one who climbs wants to do the Grand and you could explore for years all the places covered

Greatly expanded and revised, this guidebook describes fifty of the best routes to major summits of Wyoming's Teton Range.

From the Back CoverDescribes the best 50 routes to the highest peaks of the park.
