Difficult to orient yourself...I would have appreciated 1 or 2 maps instead of multiple maps of smaller regions.0 of 0 people found the following review helpful. Just above worthlessBy Kelly Knight LMTHorrible map, does not have any graph system or list of cities or towns so unless you already know Thailand and where you are going this will do you no good.0 of 0 people found the following review helpful. Five StarsBy EVery useful and detailed map. Water resistant and does not crumple or tear easily.
