**Arthur Conan Doyle : The Adventure of the Dying Detective (Sherlock Holmes Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adventure of the Dying Detective (Sherlock Holmes Series):

This early work by Arthur Conan Doyle was originally published in 1917 and we are now republishing it with a brand new introductory biography as part of our Sherlock Holmes series. Arthur Conan Doyle was born in Edinburgh, Scotland, in 1859. It was between 1876 and 1881, while studying medicine at the University of Edinburgh, that he began writing short stories, and his first piece was published in Chambers's Edinburgh Journal before he was 20. In 1887, Conan Doyle's first significant work, *A Study in Scarlet*, appeared in Beeton's Christmas Annual. It featured the first appearance of detective Sherlock Holmes, the protagonist who was to eventually make Conan Doyle's reputation. A prolific writer, Conan Doyle continued to produce a range of fictional works over the following years. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
