I enjoyed the way the Incan mythology was interwoven into the tale, and geese, who doesn't want to surf all over the South American continent, party with hot chicks, and dabble with drugs!0 of 0 people found the following review helpful. Location, location, locationBy lksI read this while in Peru. It was fun to hear the various locations described

and a tour guide's view of his "guests". However, I did not really care about the characters or their life choices. Certainly see how others might live! 1 of 1 people found the following review helpful. Good fiction for those headed end to Peru and Machu Pichu By J. Smith This is an interesting story because of the setting. It's too bad the editing wasn't better (I.e. "Toward" not "towards". I would advise it for those headed for a guided tour of Lima, Machu Pichu and Lake Titicaca.

A must read for anyone traveling to tour Peru! Written by a former G Adventures tour manager, this fun, fast-paced, fictional story will give you a taste of what to expect in this land of splendor and magic and get you excited for your adventure as you escape to Peru! Running three-week tours through Peru, mecca for adventurers, Ace Caruthers doesn't realize what he has just signed up for. He has become part of an operation, The Amplified, that has strategically placed a cocaine production facility, "the farm," in the Amazon and uses the tour routes and tourists as a front to smuggle kilos of Peruvian "bananas" out of the jungle. Ace navigates groups through this land of stunning beauty, where towering, snow-capped Andes run into the vast Amazon, legends, ruins and enigmas abound and drug deals go sideways. Will the guidance of an old shaman be enough to save Ace and the Amplified as ancient rituals are learned and used to further dark desires? Buckle up for a fast-paced tale of adventure through Peru. Michael Witt, author and former expert guide and tour manager, who worked in Peru, brings to life a page-turning story with "The Amplified - Escape to Peru." You will be left wanting to buy a plane ticket to enjoy Peru's beauty and mystery, while asking yourself, "Would I have done it?" If you enjoy Veronica Roth and James Patterson novels, you are going to enjoy this adventure novel! For more information - theamplified.net

"Michael's progress as a writer is like nothing I've ever seen. He completely bypassed his ego/devotion to his voice. He did what I asked without question, and the improvements are proof of dedication to the project. He has been pretty much best client ever. I highly recommend this adventure novel." John Harten -Editworks -editworksusa.com "This book makes me want to get back out there and travel!" Shelley K., Santa Monica, CA "This is an exciting and sexy adventure novel that takes you through a country that is rich with incredible culture and landscape and beautiful mythology. Michael has an amazing ability to seamlessly weave Peru's fascinating history and myths, stunning landscape and geography, and beautiful culture into this adrenaline infused story of romance, drugs, travel and adventure. Peru has been on my radar for a while as the next stop on my travels and after reading this book, there is no question that I will be there before the end of 2014." Beth S., Santa Monica, CA "I had so much fun reading this book!" Lisa G., Manhattan Beach, CA From the Author "The Amplified - Escape to Peru was written as a page-turning adventure novel that will inspire travel to Peru to explore the vast riches that lay within. This novel also allows those who have visited Peru to return and reminisce about their own adventures. I just can't say enough good things about this wonderful country that offers adventure and every corner. If you love adventure and traveling, you will love The Amplified - Escape to Peru." About the Author A native of Los Angeles, CA and currently residing in Venice Beach, CA, Michael Witt set off out for high adventure when he was hired on as an expert guide to run three-week tours through Peru and Bolivia. While in South America, for this particular stint, Michael noted not only the beauty of the area, but was called to the legends and enigmas. When Michael isn't planning his next adventure, or writing about it, he can be found out in the waves at his local surf breaks in Venice, Manhattan Beach, or Malibu.
