By Tampa Turtle A good, highly quality AT Calendar especially meaningful for those who have traversed parts of it or aspire to. However the products could be improved: (1) More variety in the photos. Most of them are of the NE sections. (2) Instead of the same entire AT map ghosted on the calendar boxes why not a more detailed section map? (3) Put a locator on the AT map of where the picture was taken. Context is everything. (4) Some AT quotes would be nice. 0 of 0 people found the following review helpful. A great calendar! wonderful pictures By Elizabeth D. Hughes A great calendar! wonderful pictures. Makes me long for the mountains and the trails. I have it hanging in my office and whenever I feel stressed or bummed I look at the current month's photo and instantly feel better. 0 of 0 people found the following review helpful.
