before purchasing it in order to gauge whether or not it would be worth my time, and all praised The architecture of Yemen 2016: Fascinating architecture in clay and stone (Calvendo Places):

Yemen is also known as "land of incense" or "Arabia felix" (happy Arabia). Every month you will discover impressive Yemeni architectural traditions, such as the Old Walled City of Shibam in Wadi Hadhramaut, nicknamed "Manhattan of the Desert" or the so called "Crown Villages" and the highland terraced landscapes. These amazing photographs illustrate the blending of thousands of years of culture. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
