Glenn Cochrane, Jean Cochrane : The Beach: An Illustrated History from the Lake to Kingston Road before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beach: An Illustrated History from the Lake to Kingston Road:

Glenn and Jean Cochrane have lived in Torontos Beach area for thirty-eight years which sounds like a lifetime but really leaves them as relative newcomers. Like many of the areas residents, the Cochranes are convinced that once someone moves to the Beach, theyll never leave. From Kingston Road right down to the Boardwalk, the Beach is a Toronto oasis. Here, the Boardwalk stretches along the lake creating a calm, outdoor atmosphere unlike any other part of the city. The streets and shops are busy with pedestrians, dogs, and strollers, and in the summers are packed with people from all over: picnickers, sunbathers, and outdoor sports enthusiasts. ?The Beach is the perfect introduction to the life and history of this unique area of Toronto. This is the Cochranes personal take on everything they have learned about the area over the past four decades, and through their words and collected photos, readers will share in their delightful discoveries.

About the Author Glenn Cochrane is a journalist in Toronto and the author of "Glenn Cochrane's Toronto." Jean Cochrane is a retired writer and editor. They live in Toronto, Ontario.
