sabrinamy friend loves Dubai and is planning a trip there. I bought this book for him so he can make sure he hits all the hopping places. By the way, he loves it.

This book contains proven steps and strategies on how to become a truly budget-conscious traveler with the knack to visit the city of Dubai on a shoe-string budget. With a right mindset and smart action plan, you can easily get to look around the best places in the city and have the best time of your life there. Heres an inescapable fact: you will need to know about the place and its culture to experience the essence of their city. This book will help you to understand Dubai and it will help you to enjoy the best of the place without burning a hole in your bank account. If you do not develop your ability to save money, you might end up spending so much on travel costs which you could use for later splurges or for the next vacation plan. It is important that you should understand the need for a budget-conscious traveling experience and it is also important to know how to do it without breaking your head. Its time for you to become an amazing traveler with an ability to enjoy the best that Dubai has to offer. So, pack up and get ready for an adventurous and fun-filled getaway to Middle Eastern getaway.
