**Kirstin Olmon, Kelly Phillips : The Best in Tent Camping: Arizona (Best Tent Camping)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best in Tent Camping: Arizona (Best Tent Camping):

0 of 0 people found the following review helpful. Great, but not totally comprehensive By A. Lewis I'm from southern California, but love escaping to AZ sometimes. The book details plenty of campsites in the northern mountains, but lacks places in the valleys (maybe winter camping?). It has quite a few places that I won't be able to visit until I have

more time on my hands, but is pretty decent for those looking to escape the major metropolis areas. A good starter to discovering other campsites in the areas listed...these sites are supposedly the 'Best' though.0 of 0 people found the following review helpful. Great book to have if camping with little and you ...By Kindle CustomerGreat book to have if camping with little and you need to understand the camp layout ahead of visiting. Wish it offered more sights.0 of 0 people found the following review helpful. campingBy E. Hernandezwell what can I say ,I love to camp out with the family and friends. being that I live on the border of California and Arizona I wanted to find spots near by. well this book does just that. useful tool in camping ,finding that right spot and the right area can make the difference.

From the saguaro cacti to the magnificent Grand Canyon, Arizona, long recognized for its roster of natural wonders, continues to be a destination for outdoor enthusiasts of every stripe. A study in contrasts, the state offers immense diversity in its landscapes rocky geological formations, cool mountain streams, and deep reservoirs. The Best in Tent Camping: Arizona details the locations where travelers can best experience Arizonas incredible beauty. Amenities, price, elevation, restrictions, directions, and GPS coordinates are listed for each campground, and all locations are rated for beauty, privacy, cleanliness, and quiet.
