By MamaCatLove these maps hope the company continues to add cities, both domestic and international to their portfolio. Accurate information easy to find your way around with actual names of stores, restaurants, city sites. 1 of 1 people found the following review helpful. Got this for a trip to Savannah with a group ... By Stephanie Smith Got this for a trip to Savannah with a group and it came in very handy! The cartoon-y design is a bit distracting, but it got us where we needed to go. Cute and helpful map! 4 of 4 people found the following review helpful. **THIS PRODUCT WAS UPDATED IN 2010 !!** By A Customer I was hesitant to purchase this map as it was published 5 years ago. Well, I went ahead and ordered it and was greeted with the pleasant surprise of its having been updated in 2010!! I haven't gone to Savannah yet (I was unable to write this message without first choosing a rating star. Thus, I am being disingenuous by giving a great review site unseen!). Just wanted others to know this info if, like myself, it was a possible deal breaker regarding purchase.

Hand drawn, Water-colored map, approx. 17"X 24", folds to pocket sized 8 1/2"X 3". One side is Downtown Historic section and other is smaller panels of surrounding areas of downtown. Points of interest are color-coded as to category, (Restaurants, Hotel, Historic Points, ETC.). Colorful functional guide to the city. Great wedding basket fillers!
