WangTraveling was so stressful, just from the overwhelming amount of options on flights, tours, tourist attractions and above all having the budget necessary to afford all the above.Warden gives a great inside information how this whole system works, personally gave me more out of the box thinking to enjoy my backpacking trip to Europe, how to manage it, how to enjoy it.highly recommend it for people (like me) that need that extra information on how not to get abused for the travel industry0 of 0 people found the following review helpful. and told me this guide helped him enjoy his trips to the fullest without breaking bankBy Daniel TrI borrowed this book from a friend who has traveled all around the world, and told me this guide helped him enjoy his trips to the fullest without breaking bank. While a few tips and hacks written here are common knowledge, there's a lot of interesting info that will help on any trip you plan to do in the future. It most definitely will save you a lot of money on your next destination. The author also shares some personal stories with a lot funny bits, making the reading experience even more pleasant.0 of 0 people found the following review helpful. nice book!By HectorI really liked the tips that J.F. Warden crystallized in this book. I personally share the idea that you don't need to have a lot of money to travel (of course, that helps) you just need to question your daily expenses, and put them in the right direction, or should I say destination? This and more tips are pointed out in this book that will help you to travel anywhere you want!

The Best Travel Hacking Guide is based on the principle that little decisions can change your life. This easy-to-use, step-by-step guide will allow you to visit your dream destinations. J.F. Warden reveals his best secrets, tips and tricks on budget traveling. After reading this book, the only travel agent you'll ever need is yourself. The travel industry has created an illusion where vacations are spent at Five Star hotels, eating at classy restaurants and going on travel tours every day. Were made to believe that if we dont spend that type of money while traveling, we wont be having a good time. This book will debunk the myth that travel is expensive, and will teach you how to use your resources so you can get inexpensive flights, hotel rooms, and get the best deals while visiting the best destinations in the world. It doesn't matter if its a weekend journey or a full year trip, this book will show you how to outsmart the travel industry so you can travel cheaper and better. If youre into living extraordinary journeys, use the power of The Best Travel Hacking Guide to get it done.
