Richard Alexander Hough : The Blind Horn's Hate: Magellan, Drake and Other Adventurers in the Uttermost South before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blind Horn's Hate: Magellan, Drake and Other Adventurers in the Uttermost South:

0 of 0 people found the following review helpful. For Cape Horn FansBy jboyAn engaging history of the things that have gone on at this remote (from everywhere) point on the globe. Comprehensively illustrated, and with lots of maps. The events include military, missionary, and exploration. The natives (eg. Ona) are covered as well. If Admiral Anson isn't very familiar to you, the author accepts this quite well and accommodates those less well informed gracefully.A lot of the people who ended up at the end of the world down there had a very rough time of it, whatever their motives, and a lot of the stories are survival stories. Cape Horn is best explored in a cozy library, that becomes obvious from this book.If you've got some interest in Cape Horn, Patagonia, or seafaring, this is a must-have book.BTW, the title of the book is from "The Long Trail" by Rudyard Kipling: Its North you may run to the rime-ringed sun Or South to the blind Horns hate;0 of 0 people found the following review helpful. Five StarsBy William Karl WilsonExcellent - as discribed and sent in a timely manner

Hard Cover; Very Good; Dust Jacket - Very Good; W.W. Norton First Edition. Hardcover, Very Good quarter bound cloth with paper covered boards; minor edge rubbing and fading. DJ is Very Good with light edge wear and fading.

Numerous BW photographs and illustrations. Map endpapers.
